Angus cattle have a tradition of excellence in the show ring, and that history continues across the country each year. The American Angus Association created the Roll of Victory (ROV) Show Program to recognize show-winning animals, their sires, dams, breeders and owners. The ROV Show Heifer of the Year, ROV Bull of the Year

and ROV Breeder of the Year were honored at the 2022 American Angus Association Awards Dinner and Reception Nov. 6, in Salt Lake City, Utah.

“The 2021-2022 ROV show program included 20 shows across the country. We love seeing how the competition improves every year,” says Caitlyn Brandt, director

of events and junior activities. “We congratulate the winners on their achievements.”

The ROV season runs from June 1 to May 31. There are seven Super ROV shows and 13 other recognized shows for a total of 20 shows per year. Points for these shows are accumulated on an annual basis.
