GEORGIA

BARNETT ANGUS RANCHES Wilkes Barnett, owner; 706-401-9157;

wilkesbarnett1@gmail.com. Chris Goldman, manager, 706-401-3120, 1685 Lexington Rd., Washington, GA 30673; www.barnettangus.com. Established in 1947, Barnett Angus is a forage-based program dedicated to producing bulls for the commercial cattle industry in the Southeast. 2-year-old bulls and commercial females are sold annually on the first Saturday in November at the ranch in Washington. Visitors are always welcome. See display ad on page 31.

CHÂTEL FARMS 1301 New Savannah Rd., Augusta, GA 30901; Francois Léger, owner; Jason Arehart, manager; jason.arehart@fplfood.com; 540-290-4231; Elizabeth Caskey, calf procurement,

706-513-4951. We are a family-owned, vertically integrated beef company with operating locations exclusively in Georgia. Founded some 20 years ago, Châtel Farms was built on a belief in sustainability, traceability and animal welfare. The recent acquisition of the foundation herd of the historic Ankony Farms provides a solid genetic foundation for our fully integrated beef program. Performance-tested bulls and foundation females offered private treaty and at auction annually. See display ad on page 91.

CIRCLE G RANCHES Jim & Gail Gresham, 1515 Plantation Rd., Adel, GA 31620; 229-896-5000; khalbig@

GARDINER ANGUS RANCH INC. The Henry & Nan Gardiner Family; Mark, Greg, Grant, Cole, Ransom Gardiner, 1182 CR Y, Ashland, KS 67831; 620-635-2156 (Office); GAR@GardinerAngus.com; www.GardinerAngus.com;

www.GardinerAngus.com; Gardiner Angus Ranch is a family-owned and -operated business dedicated to the production of quality beef from gate to plate. Using their experience in beef cattle breeding, state-of-the-art technology, data management and sound science, the Gardiners produce Angus genetics that make documented contributions to the beef industry. The Gardiner operation records, measures and documents genetic merit on more than 5,000 Angus cattle each year. 100% of the sale offering is the result of artificial insemination or embryo transfer. Cattle are available for sale at four sales each year plus private treaty, enabling GAR customers to make value-added decisions based on their needs. GAR is a founding member of U.S. Premium Beef. By providing access to a proven value-added processing system through GAR delivery rights, GAR customers have received more

than \$10.76 million in premiums and dividends. Visitors welcome; call ahead. See display ad on page 2.

LYONS RANCH
Your Source for Superior Genetics

STONE GATE FARMS Charles Cannon, 1669 Mill Creek Rd., Flemingsburg, KY 41041; 606-849-4278; stonegateangus@gmail.com; stonegatefarms.com. Sell by private treaty and hosted auction. Calve in spring and fall. Sell registered Angus yearling and 18-month-old bulls, open and bred heifers, cow-calf pairs, and feeder calves. Visitors welcome anytime. The purpose at Stone Gate has always been to produce

predictable, uniform cattle for the commercial cattleman. As registered breeders, we believe our responsibility is to produce cattle that are as fault-free as possible. Trying to breed for a few great individuals has never been a goal for us. We do not sell individuals; we sell a program that can be counted on by our customers to help make their own herds efficient and profitable. Join us for our annual sales Monday Oct. 25, 2021, and March 7, 2022. We also sponsor a feeder-calf sale for our customers the first week in December. See display ad on page 111.

MINNESOTA

SCHIEFELBEIN FARMS Frank Schiefelbein & Family, 74208 360th St., Kimball, MN 55353; 320-224-5830 (Tim) or 320-266-8487 (Don); info@schiefelbeinfarms.com; www.schiefelbeinfarms.com. You Buy. We Bid. Help yourself by buying from the nation's leading calf buy-back program. Each year we purchase 20,000 customer calves. Selling 500 bulls both private treaty and at our annual sale the third Saturday in February. See display ad on page 57.

MISSISSIPPI

MISSISSIPPI BEEF CATTLE IMPROVEMENT ASSOCIATION (MBCIA) Dr. Brandi Karisch; 662-325-7465; brandi.karisch@msstate.edu; extension.msstate.edu/content/beef-cattle-improvement-association. MBCIA promotes performance records and encourages good management practices while cooperating with other like-minded organizations to emphasize the economic importance of beef cattle production. Membership includes educational newsletter and ability to market animals in twice-yearly sales — the Fall BCIA Bull and Heifer Sale in November and the Spring BCIA Bull Sale on the first Thursday in March in conjunction with the Hinds Community College Bull Test Sale. Mississippi BCIA offers high-quality beef cattle genetics, and serve as a valuable outlet for members to market bulls and females.

MISSOURI

COON ANGUS RANCH Russell & Susan Coon, Larry Coon, 1318 Shelby 169, Bethel, MO 63434; 660-284-6518; ruscatsol@gmail.com; www.coonangusranch.com. Calve in spring and fall. Sell registered Angus yearling and 2-year-old bulls, bred heifers and cow-calf pairs. Visitors welcome; call ahead. Fourth-generation Angus operation focused on balance of maternal, structure, marbling and growth. We regularly consign females and pairs in a handful of consignment sales in the state. Spring and fall bulls offered private treaty. Our bulls are developed slower to improve longevity. Adapted to fescue, heat and mud.

TENNESSEE

GENETIC EXCELLENCE ANGUS BULL

SALE Kent Brown, PO Box 310, Rickman, TN 38580; 931-265-9200; jbsangus@twlakes.net;

GeneticExcellence.com; Sell by hosted auction. Calve in fall. Sell registered Angus

yearling bulls, 18-month-old bulls, open heifers, bred heifers and cow-calf pairs. Visitors welcome; call ahead. With an emphasis on healthy, sound, athletic bulls raised on fescue, Genetic Excellence bulls are ready to go to work as soon as they leave the sale facility. Through a heavy screening process, DNA testing, and a forward-thinking management program, our goal is to provide each of our customers with a bull they know they can count on to add value to their operation, whether they are retaining heifers or selling feeders. Come see us the first Saturday in January in Cookeville, TN! The Genetic Excellence Team — Kent Brown (JBS Angus), David Holt (Holt Farms) and Richard Brown (Spring Oak Farms).

INGRAM ANGUS 480 Harris Rd., Pulaski, TN 38478; www.ingramangus.com; Jason Upchurch, 256-239-8540; jason@ingramangus.com; David Cagle, 256-616-6446, david@ingramangus.com. Offer age-advantage Angus bulls by private treaty and in spring and fall production sales. Bulls are developed on a high-roughage diet and on pasture. These bulls

are bred to be hearty cattle that thrive in any environment. The bulls are bred to have real-world performance, extra muscle capacity and be able to travel the harshest terrain. Many ET brothers and siblings are available. Our cow herd is based on cow families that have stood the test of time. Watch our website for more details and follow us on Facebook or Instagram.

TEXAS

2 BAR ANGUS Steve & Laura Knoll 4020 U.S. Hwy. 385, Hereford, TX 79045; 806-344-7444; 2barangus@gmail.com; 2barangus.com. Sell by

private treaty, bull sale third Wednesday in March and female sale first Saturday in October. We use AI, embryo transfer, DNA, docility scores, individual weights, ultrasound, scrotal circumference, hip height, visual appraisal and culling to evaluate each animal to help commercial producers choose the right animal to fit their needs — whether selling at weaning, yearling or to the packer. We love visitors and welcome you to stop by if ever in “The Beef Capital of the World,” in the western Texas Panhandle. Certified Angus Beef LLC’s 2018 Seedstock Commitment to Excellence award winner.

Editor’s note: The “Seedstock Supplier” directory is a listing of Angus members who have purchased a display ad and/or a listing to appear in the “Feeder-Calf Marketing Guide.” This directory is organized alphabetically and by state. As paid advertisers, herds appear in the “Advertising Index” on page 172. If you would like to be included in this section next year, please view the media kit at <https://www.angusjournal.com/salebooks/afcmktg-2/>. Email inquiries to FCMG@angus.org or call our office at 816-383-5200.
