#### DONATI RANCH

**DONATI RANCH ANGUS** Tom & Sally Donati, Rocky & Lisa Donati, 1908 State Hwy. 70, Oroville, CA 95965;

530-846-6548; donatiranch@wcisp.com, [www.donatiranch.com](http://www.donatiranch.com). Yearling and long yearling bulls marketed through our Donati Ranch Bull Sale, Oroville, CA, the second Thursday in September (Sept. 14, 2023, and Sept. 12, 2024). Raising registered Angus for 30+ years, we originally had a commercial Angus cow-calf operation. Emphasis has always been on those traits of importance to build a better beef animal. Leader in the number of Pathfinder® cows, demonstrating the high maternal value of our herd. We strive for balanced EPDs promoting performance and carcass traits. We've shipped steers and heifers not utilized in our program to feedlots. In the last couple of years, they've graded over 60% Prime. Visitors are always welcome; please call ahead.

#### GRIMMIUS CATTLE CO.

**GRIMMIUS CATTLE CO.** 5715 Kansas Ave., Hanford, CA 93230; 559-585-8760; Randall Grimmius, owner/CEO, Phil Belko, Noah

Flores, John Dickinson. We have been in the cattle-feeding business since 1962, founded by Tom Grimmius, and family-owned and -operated through today, as partners Randall Grimmius and Phil Belko manage the operation. In that time, the core principles have not wavered around the pillars of hard work, accountability and faith in God. One of our strongest assets is our genetic supply that includes 200+ registered Angus sires sourced and selected for elite performance, conversion and end-product merit. We also maintain a large and extensive collection of critical industry data points to direct our seedstock innovation. See our display ad on page 56.

## WISCONSIN

### ROONEY ANGUS RANCH Chippewa Falls, WI; Steve and

Karen Rooney, owners; Jaden Valko, manager, 715-944-6122. Generational excellence is a pillar we have worked extensively to build within our program.

The females that we have built our program around were selected for pedigree strength, maternal quality,

phenotype and ability to consistently transmit these characteristics. We utilize our commercial herd at Diamond Tail Ranch in Colorado to anchor breeding decisions to the real world and strive to remain connected to the commercial cow-calf foundation of our industry while strengthening the traits that prove profitable to commercial cattlemen. Bulls available private treaty. **ABB**

Editor’s note: The “Seedstock Supplier” directory is a listing of Angus members who have purchased a display ad and/or a listing to appear in the “Feeder-Calf Marketing Guide.” This directory is organized alphabetically and by state.
