Customize your tags... Build them On-line!

The Angus tag store offers customization options to meet all of your needs. Our interactive site allows you to build your tag step-by-step and preview a mock-up before ordering.

The help section will guide you and explain each option, or you can always call the AngusSource department for assistance.

Print your management number (up to 5 digits) and up to three lines of text on the front of each visual tag - **FREE OF CHARGE.**

You may choose blank, sequential management numbers or upload a text file of unique management numbers.

Custom print your Logo (or brand) on the neck of the tag for a one-time \$10 fee and only \$0.11 per tag.

Add your management number, logo and/or a line of text to the back of the tag for an additional \$0.11 per tag.

Custom print the tag studs with a logo and/or text for an additional \$0.11 per tag.

Note: Customized text will be the same on all tags within an order. Management numbers may be different. Tag studs are black unless customized, then they will match the tag. COOLTag studs are white or yellow.
